We’re here to help.

As you know, Fuji Xerox Australia has been engaged by ECU to revamp and revolutionise our Print experience.

Fuji Xerox is helping us create new Print Centres on all Campuses to serve both Staff and Students in the future. Soon, everyone will be able to print jaw-dropping posters and eye-boggling banners. (And anything else print-related.)

The Mt Lawley Print Centre will be the first to receive a make-over, where work has already begun. Joondalup and Bunbury will follow shortly.

As an interim solution for ECU, a staffed Fuji Xerox Pop-Up Desk has been set-up within the Library (Ground Floor, Building 8, Mt Lawley Campus) to assist with any print jobs.

From Thursday 25th February, the Pop-Up Desk will open from 8:30am - 4:30pm weekdays and contactable on 08 6304 5801 or fujixerox@ecu.edu.au

If you wish to submit a print job, complete the attached form and send to printing@ecu.edu.au

You’ll be updated with more details soon.
If you have any questions, email printing@ecu.edu.au
