

Conversion Course

206 Bachelor of Education Fourth Year 2012

The 206 Bachelor of Education is a one year conversion course for students holding a three year Diploma of Teaching/Bachelor of Arts (Education). The last intake of students was in 2011, and the course is being "taught out".

Overview

The course takes one year full-time or two years part-time. Most units are located at Mount Lawley, and some are available at Joondalup or Bunbury, or online (also called "off campus" study).

Fees

Please visit the ECU Fees Calculator for indicative fees: <http://fees.ecu.edu.au>. Alternatively, phone the Fees Office on +61 8 6304 3535. You will need to know which units you wish to enrol in to enquire about specific fees. You can also visit the Federal government website www.goingtouni.gov.au for information on how the fee system works.

Structure

Students must complete 120 credit points (typically eight units), consisting of:

- 1 x core unit (can be negotiated if necessary)
- 7 x other education-related units (preferably from the list included in this booklet, but can be negotiated if necessary)

Every effort has been made to ensure that the information in this booklet is correct at the time of publication. The information is subject to change.

Units

The units are grouped only to **assist you with choice**; there is no commitment to complete all units listed in a particular group. No major or unit set is listed on the Bachelor of Education conversion transcript. We are happy to work with each student and possibly negotiate units not on this list if necessary.

Refer to the Semester Timetable (<http://apps.wcms.ecu.edu.au/semester-timetable>) to confirm the unit locations and teaching periods, and access class times and unit descriptions. Enter the unit code and click Search. To view a unit's class times, click Activities; to view its description, click Handbook.

Please note that units will vary in availability between teaching periods and by year. ECU may cancel a unit at any time. Units will only run if at least fifteen students are enrolled.

Last updated: 5 June 2012

Core Units

Students must complete at least one of the three core units listed below.

Code	Title	Points	Campus	Teaching Period
EDU4384	Strategies for Teacher Development	15	Online	Semester 2
