WAND Sharing Day 2013

Sharing OLT learning and teaching Grant and Fellowship outcomes and ideas to engage and inspire

What is this event and who is it for?
A forum for all staff in West Australian universities to:

- **discover** what’s happening in OLT grants and fellowships in WA
- **disseminate** the outcomes of current or completed grants or fellowships
- **network** with colleagues interested in OLT grants or fellowships.

Recipients of current or completed grants and fellowships are *warmly invited and strongly encouraged* to present their work. Projects in their first phase are welcome and the day provides an opportunity for early dissemination.

How will it work?
Grant and fellowship holders will provide a two-minute overview and answer questions on their grant or fellowship. The presentation will be supported by a poster and handouts.
