Introduction

The "Expression of Interest" (EOI) is an internal process that requires research staff to submit a brief overview of their research project plan to their Department Head, in which they identify a funding opportunity. This process is required for a number of purposes, including:

- Ensuring the Associate Dean (Research) is aware of research activity in their school
- It provides an early warning of an application to provide time to arrange reviews (internal and external)
- Allows time for sourcing/ development support packages (if relevant) for inclusion in the application

Note: The EOI process only adds significant value if it occurs well in advance of the submission deadlines. If you intend to apply for a funding opportunity and the closing date is within two weeks you should contact your school’s Research Administration Officer.

The Internal EOI process

1. Researcher identifies a funding opportunity
2. Researcher submits an expression of interest in ECURMS
3. The researcher’s line manager is notified:
   Researcher’s line manager reviews the EOI and provides any appropriate input (if necessary). In this step, they will indicate whether they approve for the EOI to be developed into a full proposal for submission.
4. The Researcher is notified of line manager’s decision, with the RAO’s being cc’d onto the email generated by ECURMS.

For more information on the Research Services grant application process, please visit Research Services’ Apply for funding web page.
Accessing ECURMS

Logging In

1. Log into the Staff Portal with your ads username and password.
2. Click on the ‘Research Management System’ hyperlink under the ‘Easy Logins’ menu on the Staff Portal.

3. If not listed, click the Pencil icon located at the top of the ‘Easy Logins’ menu, locate and tick the checkbox for ‘Research Management System’ and click ‘OK’.

4. ECURMS will open in a new window.
Please note: If you are accessing ECURMS outside of the ECU network, you will need to install and run VPN software.

Unable to log in via Staff Portal
If you attempt to log into ECURMS via the Staff Portal and receive the error message ‘Username and password not found’ and ‘not configured to access this application’ (as shown below), then you will need to log into ECURMS directly from now on.

To log into ECURMS directly:

1. Go to: https://rms.ecu.edu.au
2. Enter your ADS login in lowercase (e.g. jbloggs)
3. Enter your password
4. Click Sign In

Proposal Development (PD)
Researchers (or their delegates) are responsible for creating the initial ECURMS proposal, and for completing and submitting their Expression of Interest (EOI).

Create New Proposal
On the ECURMS homepage, hover over Research Grants and select Create New Expression of Interest.

This will launch the ‘Create New Proposal’ screen, as illustrated below.
To complete the screen:

1. **Select the CI.**
   This will default to the profile creating the record (for example, the template above was created using the profile ‘RMS System Administrator’).

   If the information is being entered on behalf of the CI the person creating the record should:
   a. Select the CI by typing in the name of the CI in the (predictive) text box:

   ```
   Please type and select the CI Name
   CI
   ```

   b. For example: if you are selecting the name ‘Joe Investigator’, you can begin by typing either ‘Joe’ or ‘Investigator’ in the predictive text box and the database will refresh with a collection of names that contains ‘Investigator’ or ‘Joe’ in the names:
