How to use a whiteboard camera

**Step 2**  Touch interactive blue Crestron touchpad on desk

**Step 3**  **Watch room turn on**

**Step 4**  **Wait until Solstice appears on large front dual screens and comfort monitors**

**Step 5**  **Select the WB Cam 1 / Whiteboard 1 icon on the touchscreen**

On the touchscreen select the **Whiteboard 1** icon on the top row of the screen.

* Note that the pencil icon might have a different name in your touchscreen, you can find it either as **WB Cam 1** or **Whiteboard 1**.

**Step 6**  **Watch as the room whiteboard camera/s turn on**

Wait for front dual screens and comfort monitors to change from showing Solstice displays to a video image of the whiteboard at the rear or side of a room. The default is to display on both the left and right-hand side screens.

**Step 7**  **Use whiteboards**

**Step 8**  **Check comfort monitors**

**Step 9**  **Advanced options**

Select **Advanced** and then sources/destinations on Crestron screen to change whiteboard camera destinations.

---

Whiteboard markers are only to be used on whiteboards and not on interactive whiteboards
