Cheat Sheet for Students

Getting Started
- Your lecturer will establish a link in your Blackboard unit to access the Collaborate session.
- Use Google Chrome™ with your Collaborate room for the best experience.
- It would be useful to have access to a microphone and a webcam (but not essential).
- If using microphone and camera, ensure they are working in advance of the session starting.

Use the tools
- **Hand raise**: Raise your hand to answer a question or get the moderator’s attention.
- **Zoom**: Resize shared content.

The following tools can be turned on or off by your lecturer
- **Chat**: Chat with fellow participants and your moderator.
- **Audio and video**: Click the Share Audio and Share video icons to turn these tools on or off.

More information
See the Student Support tab, available from your Blackboard home page:
