Blackboard Collaborate Ultra
Cheat Sheet for Students

Get Started

• Use Google Chrome™ with your collaborate room for the best experience.
• Point to the avatar image and select My Settings to set your profile picture.
• Also from Your Avatar > My Settings, set up your audio and video and adjust your volume. You must give the browser permission to use audio and video.

Use the Tools

• Participants panel: View the list of participants. Click Open Participants List.
• Hand raise: Raise your hand to answer a question or get another moderator's attention. Click Raise Hand. If you use your keyboard to navigate, press Alt + H.
• Status: Show yourself as away. Point to your avatar to open My Settings. Select Set as Away from the Present drop-down list.
• Zoom: Resize shared content. Double-click on the content to make it bigger.
• Picture-in-picture: Change the focus of your screen. If shared content is on your main screen, switch to watching the speaker. Click the picture-in-picture to bring that content to your main screen.
• Grid view and Speaker view: Switch between viewing multiple participants in your centre screen and viewing the active speaker only.

The following tools can be turned on or off by the Instructor

• Chat: Chat with participants. Click Open Chat.
• Audio and video: Click Share Audio and Share Video to turn those tools on or off. If you use your keyboard to navigate, press Alt + M to turn your microphone on and off. Press Alt + C for your camera.
• Annotation: Type, draw, and edit shared content.
