Edith Cowan University has over 20,000 students and some 1,700 staff. It offers undergraduate and graduate degrees from three metropolitan campuses and the Bunbury campus which is 200 km to the south of Perth.

The university is the second largest in Western Australia, educating about 30 percent of the state's university students. In the 1996 academic year 3779 students completed course requirements for graduation.

More than 230 courses are offered through the five faculties : Arts; Business; Education; Health and Human Sciences; Science, Technology and Engineering and the WA Academy of Performing Arts. International enrolments exceed 1,500 students from over 50 countries. An intensive English language centre operates from the Claremont campus.

Edith Cowan University has strong links with remote communities in Western Australia through its contracted courses to regional centres, Aboriginal education centres and external studies. Numerous training and research links also exist with industry.
