Slice of Italy pizza catering guide

Thank you for thinking of Slice of Italy for your next event!

To assist, we have put together a simple catering guide, to ensure your event is cost effective, sufficiently catered for and ultimately a success.

Please see below for some frequently asked questions that will help make things easier.

How many pizzas should we order?

Our pizzas are a traditional 13 inch large pizza, much larger than the industry average. As a rule of thumb, one pizza will comfortably feed 3 adults

We also have other food, how much pizza should we order?

If this is the case, generally one pizza between 4 adults will do the trick!

Can you cater for special dietary requirements?

Yes, we certainly can. We have gluten free pizzas available. Please note they are a smaller 9 inch pizza, enough for a maximum of 2 adults per pizza.

We are also able to cater for customers requiring Halal pizzas, by using a Halal cheese. Please note that this cheese is an additional \$1.00 per pizza

Do you have a minimum order?

During our normal opening hours (The university semester) we do not have a minimum order for catering

However, out of the university semester, we have a minimum order of \$100 Inc. GST.

Do you have a delivery charge?

For all orders over \$100, we do not charge a delivery fee. For orders under this amount, we charge a flat \$15 delivery charge anywhere on the university campus (Including Edith Cowan College)

Any other questions?

Simply give us a call on 6304 2326 or email us on slice_of_italy@live.com
