

# **Reading List Interface update**

## **Academics**

From 8 July 2024, Reading List sites in Canvas now appear fresh and modern with ECU's latest branding applied.

#### Important note:

#### There's something to look out for:

Once you've activated each reading list, be on the lookout for this green bookmark. This SHOULD appear automatically, however there may be cases where it doesn't.

If this green bookmark is NOT there, the Reading List will be HIDDEN from students.
