

INTERNATIONAL MONEY TRANSFER (IMT) PAYMENTS

Frequently Asked Questions

What is an International Money Transfer (IMT) Payment?

It is a way to make a payment directly to ECU's Bank Account through the generation of unique account details: [International Money Transfer](#)

Who do I contact if I have questions on how to make a payment?

Should you have any questions relating to this transfer please contact ECU Finance Department on revenue@ecu.edu.au

What currency can I pay in?

All IMT payments should be made in AUD.

Will there be any fees?

Please be aware that international transfers may attract bank fees by all intermediary banks. These Fees are the responsibility of the payee and should be taken into consideration when making payment using this option. Through our partnership arrangement with Western Union, payments made using [Western Union Telegraphic Transfers](#) will not attract these fees. This option will also allow payment in your preferred currency.

Why can the details only be used by me?

The account details are unique to you and link all payments made to your student record. To ensure that payments are correctly allocated to your student account, these details must not be used to make payments on behalf of other students/clients.
