

Turnitin – Rubrics Overview

The rubric scorecard allows the instructor to easily score the performance of a paper against a set of criterion on a scale.

Overview

The rubric scorecard is accessed within the rubric sidebar in the GradeMark paper view.

Access

To open the rubric, make sure you are viewing a student's submission. Click the **Rubric** icon (bottom right corner of the *GradeMark* window). A rubric will only appear if there is a rubric attached to the assignment.

Grade

Click on the scale the paper has met for the criteria. The *Rubric score* below the Rubric displays the total of all the selected cell values. The *Rubric Percentage* displays the percentage of the total points out of points possible for the rubric.

Click **Apply rubric percentage** button to grade (at the bottom of the rubric sidebar to apply this percentage to the assignments total point value.

Once a grade is applied from the rubric scorecard it will appear in the grade field at the top right corner of the document viewer.
