

**2023 Edith Cowan University
HIGHER EDUCATION COMMISSION PAKISTAN (HEC)–ECU SCHOLARSHIP**

OVERVIEW

The Higher Education Commission Pakistan (HEC) and Edith Cowan University (ECU) offer scholarships to students from Pakistan to undertake eligible doctoral programs (PhD) at ECU, including the:

- Doctor of Philosophy (L61)
- Doctor of Philosophy Integrated (J42)

These **Conditions of Award** apply to the ECU component of the HEC-ECU Scholarship (**ECU Scholarship**).

The two major costs that may be supported by an ECU Scholarship include tuition fee offset and living costs:

- **Tuition fee offset:** to provide support to cover part or all of a Candidate's tuition fees for a given period. Candidates may be invoiced for the remainder of fees not covered by a tuition fee offset or when the tuition fee offset ends.
- **Stipends:** to provide Candidates with a stipend to support some of their living costs for a given period while undertaking study. Stipends are provided in various forms and may include co-funding from external organisations.

Scholarships may have tax implications and it is the Recipient's responsibility to check on an ongoing basis any tax liability of receiving a scholarship. This is particularly important for Candidates receiving a part-time scholarship or receiving funding outside their scholarship. Please refer to the [Australian Taxation Office website](#) for information about scholarships and taxation.

1. ELIGIBILITY REQUIREMENTS

Candidates receiving an ECU Scholarship must:

- a. meet HEC selection criteria and conditions as may be prescribed by the HEC from time to time, and be contemporaneously selected for HEC Scholarship funding;
- b. be enrolled, or have received an unconditional offer to be enrolled, and thereafter continue to be enrolled in an accredited ECU HDR Course, including meeting all University admission and English proficiency requirements;
- c. not be receiving a scholarship for which course tuition is a component under any other scholarship scheme to which the Australian Government makes a substantial contribution;
- d. not concurrently receive an ECU School funded scholarship or other major scholarship (excluding ECU stipend supplements);
- e. be proposing research that aligns with the University's research priority areas, as determined by the University;

- f. be able to be supervised by a supervisory team that has appropriate strengths and experience to support the Candidate and maximise outcomes from the proposed research, as determined by the University;
- g. be enrolled as a full-time and on campus Candidate at ECU unless otherwise approved by HEC and ECU; and
- h. meet visa requirements, as specified by the Department of Home Affairs including the requirement to purchase and maintain an Overseas Student Health Cover policy approved by the Commonwealth.

2. OFFERS AND ACCEPTANCE

- a. ECU Scholarships will be allocated following a selection process determined by University.
- b. The University Fees and Scholarships Office may provide an offer of an ECU Scholarship in writing to a proposed Recipient.
- c. Recipients must accept offers and commence the ECU Scholarship by the deadlines in the ECU Scholarship offer letter. If the offer is not accepted and the ECU Scholarship commenced by the relevant deadlines, the offer will lapse, and the ECU Scholarship will be rescinded.

3. PERIOD OF SUPPORT

- a. The period of support for an ECU Scholarship commences on the relevant date set out in the Recipient's offer letter.
- b. The duration of a full-time and on campus ECU Scholarship is a maximum of four (4) years (48 months) from the research commencement date verified by the Principal Supervisor.
- c. ECU Scholarships will conclude at the expiry of the period of support, or if the ECU Scholarship is terminated under Condition 8. If the Recipient remains enrolled in their HDR Course after termination of the ECU Scholarship, the Recipient will be required to pay the Course tuition fees applicable at the time of termination.
- d. The period of support will be reduced by any period of study undertaken at ECU or another University towards the HDR Course:
 - Before the commencement of the of the ECU Scholarship; OR
 - During non-voluntary suspension of the ECU Scholarship.
- e. The duration of the of the ECU Scholarship will be increased by periods of additional paid sick or maternity leave approved by the University. Before applying for additional paid sick or maternity leave, the Recipient should seek HEC approval and determine the effect, if any, on their receipt of the HEC Scholarship (see Condition 12).

4. PART-TIME SCHOLARSHIP

- a. Candidates may apply in writing to receive their ECU scholarship part-time. Approval for part-time scholarship is at discretion of the Deputy Vice-Chancellor (Research) or

nominee who must be satisfied that the Recipient has exceptional circumstances that limit their capacity to undertake full time study. Such circumstances may include:

- Carer responsibilities for pre-school or school aged children (supported by the child's birth certificate and/or Centrelink sole parent documentation);
- Carer responsibilities for an invalid or disabled spouse, child or parent (supported by a Centrelink carer allowance document or similar);
- A medical condition or disability which limits the capacity to undertake full-time study (supported by medical certification or Centrelink disability pension document); or
- Engagement in employment activities that will not interfere with their progress (supported by a recommendation from the relevant Associate Dean (Research)).

The ability for a Recipient to study part-time may be affected by their relevant visa requirements.

- b. Employment, or intentions to commence employment, are not definitive grounds to the provision of a part-time scholarship and part-time ECU Scholarships are unlikely to be approved for Recipients seeking to work more than 50% of a Full Time Equivalent (FTE) position.
- c. Part-time ECU Scholarships are not available to Recipients studying at less than 0.5FTE. Recipients reducing their enrolment to 0.25FTE temporarily can consider suspending their HDR Scholarship payments (refer to Condition 5 – Scholarship Suspension).
- d. Part-time Recipients may revert to full-time study at any time, before the University census dates with University's approval, using the University's Prescribed Process. Please note that amendments to enrolment status can only be made before [census date](#) for the relevant Teaching Period (i.e. first semester and second semester).
- e. Whilst approval may be given by ECU for a part-time ECU Scholarship, this does not necessarily mean that the HEC will give approval for part-time studies. Before applying to study part-time, a Recipient should consult with the HEC and determine the effect (if any) part-time study may have on their HEC Scholarship.

5. SCHOLARSHIP SUSPENSION

- a. Course Intermission
 - i. If a Recipient intermits from their Course, their ECU Scholarship will be automatically intermitted for the same period.
 - ii. International Recipients should note that Course intermission may have visa implications. International Recipients considering Course intermission should seek guidance from Student Success via enquiries@ecu.edu.au
 - iii. Recipients should also consider the effect that any intermission period may have on their HEC Scholarship.
- b. Scholarship Suspension
 - i. This paragraph applies when a Recipient continues to be enrolled in Units for their Course but wishes to apply for a ECU Scholarship suspension.

- ii. ECU Scholarship suspension is not permitted until a minimum of one teaching period has been completed, unless otherwise approved by the Deputy Vice-Chancellor (Research) or their delegate.
 - iii. If a Recipient wishes to cease, rather than suspend their scholarship, they are required to notify the Scholarships Office that they intend to terminate the ECU Scholarship. If a ECU Scholarship is terminated, Recipients will be required to reapply for a should they later wish to recommence a scholarship. There is no guarantee of course entry or scholarship availability.
 - iv. Recipients may suspend their ECU Scholarship (including for Course intermission) for a maximum of 12 months during their Candidature. This period may only be extended beyond 12 months in Exceptional Circumstances as approved by the Deputy Vice-Chancellor (Research) or nominee.
 - v. Recipients that cease their stipend scholarship but wish to remain enrolled must seek approval from the relevant Associate Dean (Research) and the Deputy Vice-Chancellor (Research) or nominee if seeking continuation of their tuition fee offset.
- c. Reinstatement of ECU Scholarship
- i. The Director, Research Services or nominee may suspend or reinstate ECU Scholarship payments upon the relevant Associate Dean (Research)'s recommendation if Recipients have been absent without leave or approval. The Director, Research Services or nominee may stipulate a period of suspension, and conditions required to be satisfied in order for payments to be reinstated.
- d. Voluntary suspension of ECU Scholarship
- i. Recipients may voluntarily suspend or cease their ECU Scholarship without intermitting their Course or varying their candidature.
 - ii. Periods of study undertaken towards the HDR Course during suspension of the ECU Scholarship will be deducted from the maximum period of support.
- e. Requests for scholarship suspensions should be made via the University's Prescribed Processes at the earliest opportunity.
- f. A Recipient who is suspended pursuant to any University Rule, including the [Admission, Enrolment and Academic Progress Rules](#), the [Academic Misconduct Rules \(Students\)](#) or the [General Misconduct Rules \(Students\)](#), will also have their ECU Scholarship suspended for the equivalent period.
- g. Recipients should also consider the effect that any period of suspension howsoever caused may have on their HEC Scholarship.

6. ELIGIBLE RESEARCH INTERNSHIPS

- a. The Dean, Graduate Research, in consultation with relevant stakeholders, may approve a Recipient to undertake an Eligible Research Internship. An Eligible Research Internship must:
 - i. be a minimum of three calendar months in duration;

- ii. include 60 full-time equivalent days of engagement in research and development activities undertaken by the Recipient;
 - iii. be related to the student's doctorate area of research; and
 - iv. be documented in accordance with section 1.4.13 of the [Commonwealth Scholarships Guidelines \(Research\) 2017](#).
- b. An Eligible Research Internship may be undertaken on-campus, onsite with a research end-user, or online, and may be part-time or full-time.
- c. An Eligible Research Internship may be undertaken during a period of enrolment of suspension.
- d. If an Eligible Research Internship is not undertaken during a period of suspension, the University may ensure continued scholarship during the Internship. A candidate will only be eligible for continuation of the scholarship if they are not provided a similar value salary, stipend or equivalent as part of the internship. If approved, the University will provide, after the Period of Support has expired, an additional period of scholarship and an extension of candidature. The additional period and extension will:
- i. only be awarded for a completed Eligible Research Internship, unless non-completion is outside of the reasonable control of the Candidate;
 - ii. be equivalent to the number of full-time equivalent days (plus relevant reckoning of weekends) of internship completed by the Candidate outside of a period of suspension;
 - iii. be for a maximum of 90 calendar days; and
 - iv. only be awarded provided that the Recipient remains enrolled during the additional period and has not submitted their thesis.
- e. Prior to undertaking Eligible Research Internship the Recipient will need to ensure HEC approval is obtained and determine the effect, if any, on their receipt of the HEC Scholarship.

7. VALUE OF SCHOLARSHIP AND PAYMENTS

- a. Subject to any changes implemented by the HEC, the HEC Scholarship consists of:
- i. A living allowance of AUD \$21,000 per year, pay directly to the Recipient by HEC;
 - ii. Single overseas student health cover insurance for the entire period of support;
 - iii. A return international airfare to Perth, Australia via the route specified in the scholarship offer; and
 - iv. Allowance for visa costs.

For the avoidance of doubt, if the Recipient does not receive the HEC Scholarship for any reason, this will not reduce any responsibility or obligation the Recipient has to ECU.

- b. The ECU Scholarship consists of:

- i. A living allowance top-up stipend, of an amount equivalent to the current ECU-RTP scholarship stipend allowance rate less the HEC living allowance rate that a Recipient would ordinarily receive, for a period of up to a maximum of 48 months. If the Recipient does not receive the HEC Scholarship for any reason, this will not increase the amount payable by ECU. Fortnightly payments of the top-up stipends will be made directly to Recipients to an Australian Approved Deposit-taking institution (such as an Australian bank). Part-time Recipients (if approved) will be administered a ECU Scholarship stipend at a rate equivalent to half (50%). ECU Scholarships are not available to Recipients studying at less than 0.5FTE; and
- ii. Tuition fee offset for the entire period of their PhD studies up to a maximum of 48 months unless approval has been granted by HEC and the University for any variations to course enrolment. If the ECU Scholarship does not meet tuition costs, or the ECU Scholarship is not provided for any reason, the student is responsible for paying tuition fees if they wish to continue in the course.

8. TERMINATION

- a. Benefits will cease on the date of termination of the ECU Scholarship. If a scholarship is terminated it cannot be re-activated unless the termination occurred in error.
- b. A ECU Scholarship will be terminated:
 - i. on initial submission of the thesis for examination;
 - ii. if the Recipient ceases to meet the eligibility criteria specified in these Conditions of Award;
 - iii. if the Recipient ceases to be a full-time on campus student, and approval has not been obtained to study on a part-time basis from both the HEC and the University;
 - iv. upon death, incapacity or withdrawal of the Recipient from the University;
 - v. if the Recipient does not resume study at the conclusion of a period of Course intermission, or does not make arrangements to extend the period of Course intermission;
 - vi. if the Recipient accepts another equivalent award, scholarship or salary to undertake their HDR Course providing more than 75% of the ECU-RTP Stipend rate that does not comply with the requirements outlined in Condition 11 - Additional Funding;
 - vii. once the maximum duration of the period of support has been reached;
 - viii. if the University determines that the Recipient has breached the terms and conditions of the ECU Scholarship as determined by the Deputy Vice-Chancellor (Research) or their nominee; or
 - ix. in the event the Recipient's enrolment in the Course is terminated for any reason, subject to any right to provisional enrolment.
- c. The University may seek reimbursement of ECU Scholarship payments where there is a breach of these Conditions of Award, or if the Recipient does not meet the relevant ECU Scholarship criteria.

9. ERRONEOUS OVERPAYMENT

- a. A Recipient who is taking leave from their study or proposing any changes that may influence their ECU Scholarship is expected to submit the prescribed approval form (including an approval letter by HEC Pakistan government) in a timely manner and, where

possible at least 4 weeks in advance in order to avoid receiving an overpayment of their ECU Scholarship.

- b. In circumstances where an overpayment of a HDR Scholarship occurs, the Recipient must refund the overpayment to the University, unless the University determines otherwise.

10. OUTSIDE WORK AND OTHER ACTIVITIES

- a. Full-time Recipients can undertake part-time employment, a paid research fellowship, an industry placement, or other enrichment activities (“**Outside Work**”), on condition that the Outside Work undertaken does not interfere with the progress of the Recipient’s study program. An Eligible Research Internship (refer to Condition 6 – Scholarship Suspension) is not considered Outside Work.
- b. Recipients intending to undertake Outside Work must complete a [HDR Living Stipend Employment Entitlement Request](#) form, and obtain the prior written approval of the Recipient’s Principal Supervisor and Associate Dean (Research). Before approval is given, the Principal Supervisor and Associate Dean (Research) must be satisfied that the Outside work will not interfere with the Recipient’s study program or contravene the terms of any agreement the Recipient or ECU may have with an Industry Collaborator who is providing support for the Recipient’s HDR studies.
- c. Recipients who undertake a paid research fellowship, industry placement or other similar enrichment activity may be required to apply to suspend their ECU Scholarship Stipend for the duration of the activity. A candidate will only be eligible for continuation of the ECU scholarship if they are not provided with a salary or comparable stipend from any other source, which is equal to or above the rate of the relevant HDR Scholarship stipend, during the activity. Before undertaking any paid research fellowship, the Recipient should seek HEC approval and determine the effect, if any, on their receipt of the HEC Scholarship.
- d. It is expected that part-time work between Monday and Friday should not exceed an average of 8 hours per week on average over a 6-month period (January to June or July to December). The total number of hours worked in each 6-month period between Monday and Friday should not exceed 208 hours.
- e. In Exceptional Circumstances, with the endorsement of the Candidate’s Principal Supervisor, the Associate Dean (Research) may approve additional hours of paid employment if a case can be made that the additional employment has a direct benefit to the Recipient’s Course (for example practicum or industry experience) and will not interfere with progress. The Recipient’s research proposal and ethics approval should be formally confirmed before considering additional work. Where additional paid employment is approved, the arrangements must be reviewed each academic semester for continued approval.
- f. The Recipient must keep a record of their working hours and discuss with their Principal Supervisor. Recipients should note either the average hours they worked each week or the total number of hours they worked over the previous 6-month period, including the kind of work that was undertaken. Recipients should also specify the average or total number of hours they intend to work in the coming 6-month period, and if more than the 208 hours allowed, seek approval from the relevant Associate Dean (Research).

- g. Recipients accepting employment as lecturers or tutors are reminded to consider additional work completed outside of face-to-face delivery. Given considerations for paid preparation eight hours of face-to-face lecturing or tutoring per week is not permitted.
- h. ECU academic staff accepting an ECU Scholarship must, with the approval of the relevant School Executive Dean (or equivalent), either take leave without pay and accept sessional employment within the above limits or reduce their employment load to a maximum of 0.25 FTE. Forms to calculate the number of hours worked in a week are available from: scholarshipsadmin@ecu.edu.au
