

Volunteer for the Tokyo City University Australia Program

Calling all ECU Students!

We invite you to express your interest in volunteering for the Tokyo City University Australia Program (TAP) in Semester 1, 2024. No Japanese language skills are required.

TAP is one of the largest mobility programs in both countries and has been running since 2016.

A study abroad experience is made memorable with the assistance of our Buddy Ambassadors. You will attend free activities, support the groups, develop lifelong friendships, and have fun!

What our Buddy Ambassadors say

“It’s a fun experience that offered me the chance to meet new people.”

Jody

“I have had an amazing experience as a Buddy Ambassador and have made lots of unforgettable memories. The organised events have been fun, getting to know the TCU students and learning a little bit about Japanese culture. It allowed me to meet and befriend people I never would have met otherwise.”

Lindsey-Jay

“Being a Buddy Ambassador is rewarding in so many ways. I met new friends, built my network, expanded my resume and learnt about a new culture. The activities such as quiz night, food & culture night and water safety have taught me valuable knowledge and skills.”

Elle

Improve your résumé with a TAP volunteering experience

An acknowledgment letter from the Vice-Chancellor and a certificate from the Dean of International Relations are presented to Buddy Ambassadors who have met the minimum requirements for attendance at the end of the cycle.

Applications close on Wednesday 24 January 2024 with mandatory training to be held on Friday 2 February 2024.

To express your interest, **please click here or scan the QR code.**

Please email tcu.program@ecu.edu.au with any enquiries.
