

## Student Services and Amenities Fee 2025: Funding priorities for student feedback

The Student Services and Amenities Fee (SSAF) was implemented at Edith Cowan University in 2012. The Student Services and Amenities Fee (SSAF) is a fee set on an annual basis in accordance with the SSAF Rules. The purpose of the SSAF is to support the provision of a wide-range of services and amenities to enhance the student experience and improve the services available to them. The amount of SSAF revenue anticipated for 2025 is \$4.4m.

In order to determine how income from the SSAF is spent, the SSAF Advisory Forum – which consists of members of University management, the ECU Student Guild and an elected student member of University Council – discusses how to prioritise expenditure across the range of student services and amenities at ECU, and how and by whom the services and amenities should be provided. Members of the Advisory Forum propose to prioritise SSAF expenditure in the areas listed below. The recommendations of the SSAF Advisory Forum are presented to the Vice-Chancellor for endorsement, and to University Council for approval.

### **Student Consultation**

The consultation period, during which students are invited to provide feedback on the proposed priorities for 2025, has been extended to **5:00pm on Wednesday, 2 April 2025**. Feedback can be provided by emailing [SSAF@ecu.edu.au](mailto:SSAF@ecu.edu.au) or the ECU Student Guild President via [president@ecuquild.org.au](mailto:president@ecuquild.org.au). All feedback will be presented to the SSAF Advisory Forum for consideration.
