

Fire & Emergency Information

Fire or other Evacuation Emergencies

- If you hear the fire alarm (woop-woop tone), follow the instructions of your lecturer or fire warden and proceed to evacuate the building
- Evacuate by nearest **safe EXIT** and move to **Assembly Area**
- If the alarm is not already raised, warn people in the immediate area and use **RED** break glass alarm (if available)
- Lecturer to call Security on **3333** and if required call emergency services on **000**
- **Do not** re-enter the building until the all-clear has been given by the Building Warden

Medical Emergencies

- If you believe an ambulance is required, call **000** and then Security on **3333**
- Security staff are trained in First Aid, there are also First Aid Boxes and Defibrillators located throughout the campuses.

Note: You should familiarise yourself with all emergency exits, red break glass alarms, first aid equipment and security phones in your area.

Hazard and Incident Reporting

Hazard Reporting

Hazards should be reported to a staff member or by phoning maintenance on **6304 5554**

Incident Reporting

Incidents, injuries and **near miss incidents** (this is an incident that could have resulted in an injury) need to be reported to a university staff member as soon as possible

Personal Safety

Be aware of your safety and that of others

If you see suspicious or anti-social behaviour, observe or are involved in an incident, contact Security immediately call **6304 3333** or use security phones located at various points on each campus.

Security also provide a 24 hour Security Escort Service.

If attending the campus out of hours we encourage you to travel in pairs.
