WIL Learning Community: Launch

Join our learning community on Work Integrated Learning

The WIL Learning Community is a new group designed for academic staff members that is focused on sharing and fostering good practice in the design, delivery, assessment and evaluation of WIL across all disciplines in ECU.

Topics include:

- Challenges and issues in the teaching and learning of WIL;
- Successful innovative practices used in different disciplines;
- Recent research that can inform practice

17th August
12.30-1.30pm
ECU Joondalup
