EARLY MID CAREER RESEARCHER GRANT
SCHEME FINAL REPORT FORM

PART A
Project and personnel information

A1. Project G Number:

| |
| |

A2. Project title:

| |
| |

A3. Project duration:

Date commenced		**Date completed**	

A4. First named Chief Investigator:

Title	**First name**	**Surname**

A5. Other participants:
Please specify if there were any personnel changes made during the term of the research.

Title	**Initials**	**Surname**	**Organisation**	**Role**

PART B
The research (to be completed by the Chief Investigator)

B1. State the aims and expected outcomes listed in your original application summary, and indicate for each whether it was met or not.

Please also describe how the aims and expected outcomes were met, as appropriate.

Aim/expected outcome	Met? (Yes, no, partially)

B2. Provide a short summary of the major findings and impact of the project.
Please present the information in a form suitable for publicity purposes, understandable to the intelligent lay person. Comment on any economic, environmental and/or social benefit(s) for the community that arise from the project. You may attach an additional extended statement, to a maximum of 2 pages.

Attach an extended statement
Instructions for attaching documents using Nitro or Acrobat are included on the last page of this document.

B3. Please describe your plans to develop your research so that it constitutes a competitive application for an externally-funded research grant.

PART C
Academic output

C1. Indicate any outputs, to date, that are associated with the project.
Where relevant, write the number in each box and provide full citation of academic output as an appendix (e.g. name of journal, title of conference and when/where held, title and publisher of book or chapter in book).

Research Output Type		No. Submitted	No. Published
A1	Books – Authored Research		
A2	Books – Authored Other		
A3	Books – Edited		
A4	Books – Revision/New Edition		
B	Chapters in Books		
C1	Journal Articles – Article in Scholarly Refereed Journal		
C2	Journal Articles – Other Contribution to Refereed Journal		
C3	Journal Articles – Non-Refereed Articles		
C4	Journal Articles – Letter or Note		
D	Major Reviews		
E1	Conference Publications – Full Written Paper - Refereed Proceedings		
E2	Conference Publications – Full Written Paper - Non-Refereed Proceedings		
E3	Conference Publications – Extract of Paper		
E4	Conference Publications – Edited Volume of Conference Proceedings		
F	Audio-Visual Recordings		
G	Computer Software		
H	Technical Drawing/Architectural & Industrial Design/Working Model		
I	Patents		
J1	Other Creative Works – Original Creative Work		
J2	Other Creative Works – Live Performance of Creative Work		
J3	Other Creative Works – Recorded or Rendered Creative Work		
J4	Other Creative Works – Curated or Produced Substantial Exhibition or Event		

C2. Does the output of the research have commercial potential?

YES ☐   NO ☐

PART D
Certification by Chief Investigator

D1. I certify the accuracy of the details regarding our participation in this project, as provided in this Final Report.

Name of Chief Investigator			
Signature		Date	

Need to create a digital signature? <u>Download our cheat sheet</u> with step-by-step instructions.

The final report must be submitted within six months of completion of the project. All entries on this form should be printed or typed.

Once you have completed, save and send to: research-grants@ecu.edu.au

Office Use Only
Report accepted.

Date:

INCLUDING ATTACHMENTS

To include attachments within your form, use the following instructions depending on the software platform used.

Nitro

1. From the application menu, select **File**, then select **Attach Files**.
2. Browse and select the file(s) to be added.
3. Click **Open** to add selected file(s).

Selected file(s) will appear in the Attachments pane.

Adobe Acrobat Reader / Professional

1. On the left-hand side, expand the panel by **clicking the left-pointing arrow**.
2. **Click the Paper Clip icon** to show the Attachments pane.
3. **Click the Paper Clip with Plus icon** and browse select file(s) to be added.
4. Click **Open** to add selected file(s).

Selected file(s) will appear in the Attachments pane.
