

Volunteer as a Buddy Ambassador for the China inbound study abroad program!

Calling all ECU Students!

We invite you to express your interest in volunteering as a Buddy Ambassador to support our incoming Chinese students on this study abroad program. No Chinese language skills are required.

In July 2024, ECU will host a group of Chinese students from Zhejiang Normal University on a 13 week tailored study abroad experience.

These study abroad experiences are made more memorable with the assistance of our super Buddy Ambassadors. That's why we need you!

You will attend free activities (both on and off campus), support the students, develop lifelong friendships and have fun! You might even learn a bit of Chinese language and it'll look great on your resume!

To express your interest, please click here or scan the QR code.

Please email any queries to inboundstudyabroad@ecu.edu.au

made here.**

What our previous Buddy Ambassadors say:

"This experience has been fun and exciting, lots of opportunities to socialise and make new friends!" Hannah

"Being a Buddy Ambassador was an incredible experience. I had so much fun joining all the events and meeting so many friendly people. If you're up for exploring different cultures and creating meaningful memories, become a Buddy!" Jinq Jia

"Being a Buddy Ambassador is rewarding in so many ways. I met new friends, built my network, expanded my resume and learnt about a new culture. The activities such as quiz night, food & culture night and water safety have taught me valuable knowledge and skills." Elle
