- A2.3.10 Requests for a suspension will be considered only if the circumstances are exceptional.
- A2.3.11 The Project Activity Period may be extended for a period equal to the duration of the approved suspension(s), up to a maximum of 12 months. - A2.3.12 Suspensions without the written approval of the ARC will be a breach of this Agreement and may result in termination of the project in accordance with the process in section 50 of the Act.
- A2.3.13 A Fellowship cannot be transferred to another person. If, at any time during the Project Activity Period, a Fellow relinquishes, or is no longer able to continue their project, the Grant for the project must be terminated, unless there are exceptional circumstances. In such cases, any unspent Grant Funds for the project must be recovered by Us.

- A2.3.14 You must require the Fellow to give notice of one month if they intend to relinquish the project. You must immediately advise Us of the relinquishment of the Fellowship by submitting a variation.
- A2.3.15 All Participating Organisations must agree to the project relinquishment.

The variation must include details of the arrangements to be put in place to ensure that the Fellows' administrative duties do not consume a substantial amount of their time (including details of those persons who will be responsible for the administrative functions of the Centre).

A3 Duration of the Grant

- A3.1 This Agreement takes effect on the date it has been executed by You and Us, and continues to operate until all parties have fulfilled their obligations under this Agreement.
- A3.2 The period of the Grant is the Project Activity Period.
- A3.3 The Project Activity Period for any project is indicative only of the intent of the ARC Accountable Authority at the time of making the offer of the Grant and is not binding on Us. In the event that the ARC Accountable Authority subsequently makes a determination to vary the Grant, this Agreement will continue to apply to any project granted financial assistance under such a determination.
- A3.4 The project (other than the provision of any final reports) ends when the ARC-funded project activity is completed and all Grant funds are spent, which is the Project End Date.
- A3.5 This Agreement ends when You have provided all of the reports and repaid any unspent Grant funds as required under this Agreement, which is the Agreement End Date.

A5.2.7 Grant funds may be carried over for a maximum of 3 years from the original funding year. If We previously approved a deferment to the Project Start Date or a suspension of the project, We may approve a carryover of the Grant funds for more than 3 years beyond the original funding year to reflect the deferment or suspension.

A5.3 Final Report

A5.3.1 Unless otherwise approved by Us, You must ensure that a Final Report is provided for the project within 12 months of the final approved Project End Date. The form for this report will be made available in RMS, with instructions on the [ARC website](#).

A5.3.2 We may review the outcomes against the objective(s) of the project as stated in the application or any approved revised budget and/or project scope.

A5.3.3 The Final Report must justify why any Research Outputs from the project have not been made openly accessible within 12 months from the date the Research Output was published. The Final Report must outline how data arising from the project has been made publicly accessible where appropriate.

A5.3.4 If We consider a Final Report to be inadequate, unsatisfactory or is not submitted on time, You will be contacted for further information.

A5.4 Post-Project Reports

A5.4.1 We may also seek additional information about subsequent outputs and outcomes after submission of the Post-Project Report. We may contact You up to five years after the submission of the Final Report for information to assist with evaluation of a Linkage Program grant opportunity.

- (b) make arrangements acceptable to Us for lodgement of data with an appropriate repository; and the lodgement of specimens and samples with an appropriate museum or archive in Australia; and
- (c) include details of the lodgement or reasons for non-lodgement in the progress reports and the Final Report for the project.

A6.2 We will support publication and dissemination costs as per the approved budget or approved variations.

A6.3 All ARC-funded research projects must comply with the *ARC Open Access Policy (2021)* on the dissemination of research findings, which is on the [ARC website](#).
