

CAMPUS ACCESS INFORMATION

MOUNT LAWLEY CAMPUS

HOW TO USE THE PUBLIC TRANSPORT SYSTEM

Public transport is a quick and convenient alternative for travelling to work or university. Edith Cowan University is well serviced by public transport, with buses running to and from Perth every 15 to 20 minutes from 7am to 6pm during the work week. Direct services operate to and from Morley Bus Station, Mirrabooka Bus Station and Glendalough Bus Station providing multiple options for travelling to the Mount Lawley Campus. You can sit back and relax, save on parking and other car related costs, as well as reduce your carbon footprint on the environment. Plus, finding a car park on campus can be difficult at times, particularly at the beginning of semester.

GETTING A SMARTRIDER

A SmartRider card is a more convenient and secure way to travel on Transperth buses, trains and ferries.

As an Edith Cowan University (ECU) student or staff member a SmartRider card is incorporated with your student/staff ID. Please accept the SmartRider/ECU Terms and Conditions to receive relevant travel concessions.

The only way a tertiary student can travel at concession rates is by having a Tertiary SmartRider. A student or ECU staff member using autoloan (direct debit) on a SmartRider will also allow you a further 25% saving to the cost of travelling on public transport. Add Value machines are available and will provide a 15% discount and cash tickets are also available.

Visit www.transperth.wa.gov.au for current fare information.

PLANNING YOUR JOURNEY

Go to www.transperth.wa.gov.au, click on Journey Planner and type in where you need to be by when. The Journey Planner will tell you which bus, train, ferry or CAT bus to catch, where to catch it from and what time it departs.

Another helpful tool to assist you in getting around on public transport is Google transit www.google.com.au/transit

EASY TRAVEL AT TRANSPERTH

PARKING ZONES

Student permits are required for all **RED** student parking zones between the hours of 8am and 8pm Monday to Friday. Student **RED** zones are signposted and colour coded. Student parking is available on the Mount Lawley Campus through the purchase of a permit, however ECU does not guarantee that a parking bay will be available when required by a permit holder, nor does it guarantee location proximity.

The parking machines located in all **GREEN** visitor zones will accept payment by cash and credit/debit card.

Visit www.ecu.edu.au/centres/facilities-and-services/our-services/parking/student-permits for information regarding the issuing of permits, replacement permits, permit refunds and infringement and penalty information.

DO NOT LEAVE VALUABLES IN YOUR CAR. ECU does not take responsibility for items stolen from vehicles or damage to vehicles created through break-ins on Mount Lawley Campus.
