

Examinations in the Joondalup Campus Sports Hall (Building 22)

Many of the examinations on Joondalup Campus will be held in the Sports Hall in Building 22 (rooms 22.113/114 and 22.115).

It is recommended that you **arrive at Building 22 at least 30 minutes** before the scheduled exam time. You are not permitted to enter the building until you are instructed to do so by the Invigilator.

There will be signage at the front of Building 22, directing you to the correct assembly area for your unit. You are responsible for gathering in the assembly area allocated for your unit.

You must follow directions provided by the Invigilators.

When your unit is called, queue quickly and quietly in a single line at the entry as directed. Make sure you have your student ID, photo driver's licence or passport ready to show the invigilator prior to entry to the venue. In some instances, you may also be called in alphabetical order by your family (last) name, as shown on your student identification card. Listen carefully to all instructions and do not crowd the entry area; stand back until called.

Once you are directed to enter the venue, no communication is to occur with other students and examination conditions must be maintained.

Some examination venues are monitored by closed-circuit television (CCTV). Footage from CCTV may be reviewed and used for University purposes.
