## Finance and Business Services Centre (FBSC)

### About us

Finance and Business services support the University, ensuring it operates with effective governance and financial integrity. The Finance and Business services support teams offer a range of services that deliver sound financial management, efficient processes and professional relationships in support of the University's objectives.

### How we support researchers at ECU

We provide advice and assistance in the following financial areas of research:

- Costing of a research proposal
- Grant application financial information
- Setting up and closure of projects in the financial system
- Income and expense management of research projects
- One-on-one support with regards to project financial management
- Support and advice when concluding a project
- Preparation of financial reports/acquittals
- Research scholarship students
- Research submission and benchmarking
- Research block funding administration (internal & external)
