

Volunteer for the Tokyo City University Australia Program

Calling all ECU Students!

We invite you to express your interest in volunteering for the Tokyo City University Australia Program (TAP) in Semester 2, 2024. No Japanese language skills are required.

TAP is one of the largest mobility programs in both countries and has been running since 2016.

A study abroad experience is made memorable with the assistance of our Buddy Ambassadors. You will develop lifelong friendships, learn about the Japanese culture, attend free activities and have fun!

What our Buddy Ambassadors say

“This experience has been fun and exciting, lots of opportunities to socialise and make new friends!”
Hannah

“Being a TCU Buddy Ambassador for Japanese students was an incredible experience. I had so much fun joining all the events and meeting so many friendly people. If you’re up for exploring different cultures and creating meaningful memories, become a TCU Buddy!”
Jinq Jia

“It has been a wonderful experience where I’ve met new people and made some close friendships. Being a Buddy Ambassador has been an amazing opportunity both personally and professionally, and has helped me give back to the community. I feel like I’ve learnt more about Japan and a bit more about Australia too!”

Nikki
