STUDENT EXAMINATION TERMS AND CONDITIONS

These terms and conditions must be read in conjunction with the Academic Misconduct Rules (Students), available at: http://policysearch.ecu.edu.au.

1. Prior to the Commencement of the Examination

1.1 Invigilator Instructions

An invigilator will instruct you on the following procedures:

- a) The permitted entry time into the examination venue, which is generally 5–10 minutes before the scheduled commencement, or 30 minutes for examinations held in the Sports Hall.
- b) Entry is to be conducted in a single file, and you will be directed to your designated seat.
 - *Note:* If allocated to the Joondalup Sports Hall, it is your responsibility to know your assigned seat number, as specified on your SIMO examination timetable.
- c) Once admitted to the examination room, you are not permitted to leave until one (1) hour has elapsed or within the final ten (10) minutes of the examination period, unless authorised due to exceptional or emergent circumstances.
- d) Completion and signing of the Examination Registration Form, including documentation of your details on any answer booklets or associated materials, must occur only after the invigilator has read the 'Examination Instructions for Students.'
 - Do not complete this form until instructed.
 - If you are unable to complete all required fields within the allocated time, you may do so during the examination. If you are unable to complete the form before submitting your paper, you must inform the invigilator at the time of collection.
- e) Failure to comply with the conditions of the examination, as acknowledged by your signature on the Examination Registration Form, will result in immediate removal from the venue and an automatic mark of zero (0) for the examination in question.

Note: All examinations have a stated duration of either two (2) or three (3) hours, as specified on the front of the examination paper. There is no additional reading time provided.

2. Photographic Identification Requirements

You must bring one (1) of the following acceptable forms of photographic identification to all examinations:

- Your current ECU student identification card;
- A valid Australian photo driver's licence;
- A valid passport.

You are required to present this identification prior to entering the examination venue. Once seated, the identification must be placed in the top right-hand corner of your desk and remain visible throughout the duration of the examination.
