Strategic and Governance Services Centre (SGSC) – Enterprise Risk

About us

Enterprise Risk has responsibility for strategic oversight of risk management, business continuity, and internal audit with related legislative requirements within the University. It is also responsible for the general management and maintenance of the insurance related business of the University and its controlled entities.

How we support research at ECU

Enterprise Risk provides services that enable the University community to identify, assess and manage their key operational and strategic risks. It also provides insurance advice regarding research-related activities, including travel.

How we support you

Enterprise Risk can provide education and training on how to use the Enterprise Risk Register in Riskware.
