

Tuition Fee Scholarships

Terms and Conditions

The following ongoing conditions apply to this scholarship:

- The recipient must continue to meet the eligibility guidelines and these terms and conditions at the time of applying and throughout the scholarship period.
- The recipient must be in continuous green status/good standing academically and financially.
- The recipient must maintain a full-time enrolment load during the first year of their course unless expressly approved by ECU in its absolute discretion. For scholarship purposes, full-time study for one year is defined as 1 EFTSL (Equivalent Full-Time Study Load) or 120 credit points.
- The scholarship cannot be transferred to another course without ECU's permission (which may be withheld in ECU's absolute discretion).
- The scholarship can only be used for tuition fees and cannot be used for any other student expense. The scholarship will be applied directly by ECU on a unit-by-unit basis at the relevant census date.
- The scholarship cannot be transferred to an ECU location or partner outside Western Australia, or to another university.
- The scholarship can be revoked if the recipient does not accept their Letter of Offer or enrol in their course by the relevant date(s) specified.
- Commencement of the scholarship cannot be deferred.
- For partial tuition fee scholarships, the recipient must pay their remaining tuition fees within the stipulated payment deadlines. Failure to do so may negate the scholarship and the tuition fee structure may revert to full-fee tuition.
- The recipient may become ineligible for the ongoing receipt of the scholarship if they receive a government scholarship, industry sponsorship or another ECU scholarship or grant during the term of the scholarship. Ongoing eligibility for the scholarship in these circumstances is at ECU's absolute discretion.
- The recipient must comply with all applicable requirements under ECU's statutes, rules, by-laws, policies, procedures or other similar instruments, and with all applicable visa requirements.
- The recipient must notify ECU of any change of circumstances that may affect their ongoing eligibility to receive the scholarship.

All scholarships are awarded at ECU's discretion. ECU reserves the right to revoke the scholarship at any time if a student is found to have provided information that is false misleading, does not meet the scholarship eligibility criteria (including ECU's admission requirements), or does not comply with the ongoing scholarship conditions.

ECU reserves the right to decline to award scholarships if, in its opinion, there are no suitable applicants. The number of scholarships to be awarded is at ECU's sole discretion. This scholarship may be withdrawn from offering by ECU at any time.
