

MASTERCLASS SERIES

Writing in Plain Language

19/04/2023

9:30pm to 12:30pm

Online via
Microsoft Teams

Having trouble talking about your research to those NOT in the research sector? Do you need help putting things into 'plain language'?

Attending our Plain Language Writing Masterclass will give you 'hands on' guidance to writing a plain language summary for your research application and for sharing your research project with community members.

Making your research accessible to the community will better position you to engage with government, philanthropy, and other research partners. Join us and find out more!

****prerequisites are required for attendees
(see the Masterclass webpage for further details)***
