

# LEARNING SUPPORT AT ECU: INFORMATION FOR ACADEMICS

What do you need support with?	Services Available
I would like to refer my class to the support available.	Please link your students to the Academic Skills @ ECU Canvas homepage: <a href="https://courses.ecu.edu.au/courses/18091">https://courses.ecu.edu.au/courses/18091</a> The front page has a list of all workshop, drop-ins, online chat, PASS and other support events.
I want my students to have their draft reviewed before submitting the final assignment.	If you are implementing this as a requirement in the assignment criteria, speak with your <a href="#">Senior Learning Designer</a> about the options available (e.g. self-assessment, options for formative feedback, peer review etc.). Please note that mandatory draft review by ECU learning support services and Studiosity is not available due to high student demand.
Students want me to provide feedback on their drafts or provide support writing their assignment.	<p>If the student is generally on track and just needs some help or reassurance, you can refer them to:</p> <ul style="list-style-type: none"> <li>• <a href="#">Learning Adviser drop-ins</a> and <a href="#">Peer Skills Advisers</a> for on-campus support during semester</li> <li>• Our <a href="#">online chat</a> for off-campus support</li> <li>• <a href="#">Studiosity</a> for written feedback on assignments (24/7 online support)</li> </ul> <p>If the student needs more substantial support, they can book a <a href="#">30-minute appointment</a> with a Learning Adviser. If a student is on a Learning Access Plan, Success Plan, or has an Academic Integrity Breach, please advise them to book the <a href="#">‘School Senior Learning Adviser’</a> option.</p>
I have a student who needs urgent help with their academic writing, basic numeracy or study skills.	Email <a href="mailto:learningadviser@ecu.edu.au">learningadviser@ecu.edu.au</a> with the subject line ‘Triage appointment’ (if they need same day support) or ‘Referral’ (if they need support within the week). Please provide the student number and a description of the problem.
I would like to link or embed some resources on study skills and assignment writing into my Canvas site.	Check the online resources at <a href="https://courses.ecu.edu.au/courses/18091">https://courses.ecu.edu.au/courses/18091</a> If you can’t find what you need, email us for more information or to have a new resource created.
I need support with embedding academic skills, communication skills, and numeracy in my unit curriculum.	Contact your School’s dedicated <a href="#">Senior Learning Adviser</a> , who can work directly with you to develop embedding strategies and material.
My student needs help with editing and proofreading.	There is no service at ECU that will edit and proofread assignments for students. All our services will provide support to students to develop their English grammar skills and help them to learn strategies for editing and proofreading. Student can also take the <a href="#">Foundation Writing Course</a> online to develop their English grammar.
I would like a Peer Assisted Study Skills (PASS) session for my unit.	<a href="#">PASS</a> is normally only offered to large (>100 students), first year core units. Please contact your ADTL to discuss adding PASS to your unit.
