

## EXAMINATIONS IN THE KINGS SQUARE 3 VENUE

10 Telethon Avenue, Perth

These conditions must be read in conjunction with the Exam Instructions to Students, available at <https://intranet.ecu.edu.au/student/my-studies/exams-and-results/exams-info/exam-instructions-to-students>

---

### Arrival and Venue Information

The venue details within your personalised student timetable in SIMO will be shown as “Kings Square 3 ECU Building Level 3” venue. Kings Square 3 is also commonly referred to as KS3.

It is recommended that you arrive at Building at least 30 minutes before the scheduled exam time. However, please note that you are not permitted to enter the building until instructed to do so by the Invigilator.

The KS3 venue will be air-conditioned; however, it is advised to dress appropriately for the season/temperature.

---

### Allocated Seating

The KS3 venue has assigned seating. If your exam is scheduled in this venue, take note of your allocated seat number as indicated in your personalised timetable on SIMO.

Signage placed at the front of building will direct you to the correct assembly area for your seat number. You are responsible for gathering in the designated assembly area and must follow the directions provided by the Invigilators.

When your seat number block is called, please queue quickly and quietly in a single line at the entry as directed.

---

### Entering the Venue

Once directed to enter the building, please refrain from communicating with other students, and maintain examination conditions.

Listen carefully to all instructions and avoid crowding the entry area; stand back until called.

Ensure you have your student ID, a valid Australian photo driver’s licence, or passport ready to show the invigilator before entry.

Students who cannot use the stairs and require lift access, please make yourself known to invigilators.

---

### Security Measures

Some examination venues are under closed-circuit television (CCTV) surveillance. Footage from CCTV may be reviewed and used for university purposes.
