## Activating a Free Alumni Account

Follow these steps to take your PebblePad work with you as a free Alumni account, so you can continue your personal learning and professional development as you move on to the next stage of your career.

- Note: Follow these steps before you leave ECU, or else you may need assistance from IT Services on 6304 6000.
- 1. (not shown) Log into your PebblePad account.
- (not shown) Copy any Assets shared by other users at your university into your own Asset Store before creating the alumni account, as these won't be accessible otherwise. You will not be able to copy shared assets unless you have been granted copy permission by the sharer.
- 3. (circled opposite) From the menu in the top left menu, select 'Additional settings' and then 'Free Alumni Account'.

4. You will be redirected to the following pop-up window where you should click 'Continue'.

## You can start a PebblePad personal account whenever you want, but...

Most people find they only need a personal account once they are about to leave their current institution – but you can start anytime.

If you are about to leave, or just want to start your personal account now, you can click continue...

If not, click 'cancel' to return to your current PebblePad account. You can always sign up for an account later.

A tipsheet is available to guide you through this process.
