Notes:

- i. The SSAF expenditure categories are prescribed by the Commonwealth Government in the Higher Education Support Act 2003 (Section 19-38).
- ii. An absence of funding in the University's column for any category does not necessarily indicate that the University is not active in that area: a funding source other than the SSAF may be used to support that category.
- iii. 0.1% of the forecast SSAF income has not been allocated. If the SSAF income for 2025 reaches or exceeds the forecast amount, the unallocated amount may be carried over to 2026.
