

September 2026

Dear Stakeholder and Residents,

IMPORTANT INFORMATION RE: TELETHON FAMILY FESTIVAL – SUNDAY 18 OCTOBER 2026

Channel 7 Telethon is Western Australia's most loved and iconic charity, having raised more than \$778 million since 1968 to create better and brighter futures for sick, vulnerable and disadvantaged children across the State. These funds have supported vital medical research, provided essential equipment, delivered critical services and programs and created life-changing opportunities for sick, disadvantaged and vulnerable children in need.

The annual Telethon Weekend will be held on Saturday 17 and Sunday 18 October 2026, at RAC Arena. As part of the weekend a free family festival event will be held on Wellington Street on Sunday 18 October. **The event will commence at 10am and will conclude at 4pm.** The event is free to attend, and is a great opportunity for the local community to be involved in Telethon festivities and free family-friendly entertainment.

Event organisers would like to ensure that all City of Perth residents and business operators within and around the Wellington Street closure have all the information they need to plan ahead for the day to minimise any inconvenient disruptions. **This notification is to ensure all residents and businesses are informed of the event impacts in the surrounding areas.**
